PROFESSIONAL TRAINING, RESIDENCY and POST GRADUATE SUPERVISION

Doctor of Psychology (PsyD)
December 1996

Clinical Psychology & Counseling Psychology
(APA Accredited)
James Madison University, Harrisonburg, VA

Educational Specialist (EdS)
August 1985

School Psychology
James Madison University, Harrisonburg, VA

Master of Education (MEd)
August 1976

Special Education: Multi-handicapped; LD
Slippery Rock University, Slippery Rock, PA

(Professional Training, Residency continued)

Bachelor of Science (BS)
June 1974

Special Education: Mental Retardation
Slippery Rock University, Slippery Rock, PA

Residency and Internships

Post-Doctoral Fellowship in Clinical Neuropsychology and Medical Psychology (12 months, 8/96-8/97)

Shelting Arms Rehabilitation Hospital, Richmond, VA

Supervisors: F. Michael Martelli, PhD, LCP/Neuropsychologist & James Braith, PhD, LCP/Neuropsychologist
(Residency/Post Graduate Clinical Supervision Continued)

- Neuropsychological/psychological assessment of adults with neurological, medical and orthopedic injury
- Chief Neuropsychologist for Day Rehabilitation program serving adults with acquired brain injury and physiological disorders
- Medical Psychology Resident, Inpatient Unit
- Interdisciplinary treatment team member
- Neurorehabilitative interventions, individual psychotherapy, and compensatory training

Neuropsychological Associates, Richmond, VA

Supervisor: Edward Peck III, PhD, LCP, ABPP-CN, Diplomate Clinical Neuropsychology

- Administered and scored neuropsychological tests (adults and children) in private practice

Internship (PsyD) in Clinical Psychology and Neuropsychology (12 months, 7/95-7/96)

Woodrow Wilson Rehabilitation Center, Fishersville, VA (APA Equivalent)

Supervisors: Thomas Ryan, PhD, LCP, ABPP-CN, Diplomate in Clinical Neuropsychology & Elizabeth Cianciolo, PhD, LCP [Subacute Unit and Neuropsychology Laboratory]

- Neuropsychological/Psychological assessment for vocational treatment planning
- Individual inpatient psychotherapy, behavioral therapy, and family counseling
- Neuropsychological consultation to Brain Trauma Unit

Human Development Center, James Madison University, Harrisonburg, and VA (APA Accredited)

Supervisors: M. Paige Powell, PhD, LCP & William Walker, EdD, LCP [University Mental Health Clinic for children and adults.]

- Conducted neuropsychological assessments
- Developed and maintained program manual and standardized testing protocol
- Individual psychotherapy, conjoint and family therapy
- Live supervision of graduate students on child, adult, and family cases

Internship (EdS) Clinical and School Psychology (12 months, 1984-85)

University of Virginia Children's Medical Center, Charlottesville, VA.

Supervisors: Robert Marvin, PhD, LCP, Sharon Beckman-Brindley, PhD, LCP, Van Westervelt, PhD., LCP & F. D. Nidiffer, PhD, LCP

- Psychological treatment and assessment (infants, children, and adolescents)
- Family therapy/parent training

Greene County Schools, Stanardsville, VA. Supervisor: Rodney Kibler, PhD, LCP

- Individual counseling of high school students

- Teacher consultation
- Psychoeducational assessment

Internship (MEd) Special Education (10 months, 1975-76)

Mental Health/Mental Retardation, Butler, PA.

Supervisor: Al Stramiello, PhD.

- Interagency consultation
- Staff training and program development
- Program evaluation (group homes, community social service agencies, state mental hospital/training center)

Slippery Rock University, Special Education Department, Slippery Rock, PA.

Supervisors: Richard Myers, EdD. & Jack Dinger, PhD.

- Graduate Fellow and Teaching Assistant
- Research and data collection on the efficacy of non-categorical, competency-based teacher training

PROFESSIONAL EXPERIENCE

2017-2020 **Guest Editor, NeuroRehabilitation, International Journal, Thematic Issue:**
Neuropsychological and Psychological Applications in Neurorehabilitation

Recruitment of international manuscripts that are subsequently peer reviewed and accepted for publication. Ensured all recruited papers meet predetermined criteria. Determined each manuscript's suitability for publication. Provided editorial recommendations. Managed, tracked and ensured articles met criteria and were submitted within the agreed timeframe. Jointly contributed the guest editorial and one peer reviewed article.

2018-Pres. **Board Certified Clinical Psychologist/Board Certified Clinical Neuropsychologist**
Business Owner and Proprietor, Neuropsychology & Psychological Healthcare, 9327
Midlothian Turnpike, Suite 1-C, Richmond, VA 23235

- Neuropsychological/psychological assessment (child-adult-geriatric)
- Diagnostic, Forensic, Vocational, IMEs, Capacity & Dementia Evaluations
- Individual Psychotherapy (children-adults-geriatric)
- Family/conjoint therapy
- Pain Management Psychotherapy
- Doctoral Candidates, Practicum/Internship Supervision
- Mentor to Candidates for Board Certification in Clinical Neuropsychology
- Board Certification Review Committee, American Board of Professional Neuropsychology
- Medicare Liaison, Healthcare Benefits Committee, Virginia Psychological Association

Forensic Neuropsychology

- Expert Witness in medio-legal cases (Defense, Plaintiff) (TBI, Personal Injury, PTSD, Toxic Exposure, Autoimmune Disease, Chronic Pain, Pediatric and Adult)
- Depositions, Trial testimony
- Independent Medical Examinations (IMEs)
- Cognitive Capacity Evaluations (contemporary and retrospective, testamentary)
- Fitness for Duty, Readiness to Return to Work, Security Clearance
- Case Consultation, Peer Review, Medical and Disability File Review

**1996-2019 Board Certified Clinical Psychologist/Board Certified Clinical Neuropsychologist
Dominion Behavioral Healthcare, Harbor Park Drive, Midlothian, VA 23112**

- Neuropsychological/psychological assessment (child-adult-geriatric)
- Diagnostic, Forensic, Vocational, IMEs, Capacity & Dementia Evaluations
- Individual Psychotherapy (children-adults-geriatric)
- Family/conjoint therapy
- Pain Management Psychotherapy
- Doctoral Candidates, Practicum/Internship Supervision
- Mentor to Candidates for Board Certification in Clinical Neuropsychology
- Board Certification Review Committee, American Board of Professional Neuropsychology
- Medicare Liaison, Healthcare Benefits Committee, Virginia Psychological Association

Forensic Neuropsychology

- Expert Witness in medio-legal cases (Defense, Plaintiff) (TBI, Personal Injury, Toxic Exposure, Autoimmune Disease, Chronic Pain, Pediatric and Adult)
- Depositions, Trial testimony
- Independent Medical Examinations (IMEs)
- Cognitive Capacity Evaluations (contemporary and retrospective, testamentary)
- Fitness for Duty, Readiness to Return to Work, Security Clearance
- Case Consultation, Peer Review, Medical and Disability File Review

2010-2018 Neuropsychologist, Chippenham-Johnston Willis Hospital, CJW Sports Medicine Concussion Network, Richmond, VA (2010-2018)

- Invited neuropsychologist to provide neuropsychological evaluations, care coordination, and consultation following complicated sports-related concussive injury for treatment planning and interdisciplinary decisions regarding return to play.

1998-2006 Medical Psychologist/ Neuropsychologist, Medical Psychology Department, Sheltering Arms Physical Rehabilitation Hospital, 206 Twinridge Road, Richmond, VA

Chief Neuropsychologist for Day Rehabilitation Program/Outpatient Services (adults w/ acquired brain injury, brain tumors, epilepsy, orthopedic injury, multiple sclerosis, Parkinson's disease, chronic illness, chronic pain, dementia, neuromuscular disorders)

- Individual, group, and family psychotherapy
- Neuropsychological/psychological assessment
- Behavioral therapy and consultation

1997-1998 Pediatric Neuropsychologist, Cumberland Hospital for Children and Adolescents, New Cumberland Road, New Kent, VA

- Neuropsychological assessment and treatment (children and adolescents w/ neuropsychological, developmental, neuropsychiatric, behavioral disorders, and chronic illness)
- Clinical Supervisor for Acute Brain Injury Unit
- Individual and family psychotherapy
- Behavioral treatment planning/consultation
- Hospital Ethics Committee

1991-1994 Coordinator of Special Education/ Programs for the Seriously Emotionally Disturbed (SED) Charlottesville Public Schools, 1400 Melbourne Road, Charlottesville, VA

- Coordinator of middle and high school special education services

- Coordinator K-12 program and services for seriously emotionally disturbed
- Provided teacher professional development training and consultation
- Supervised district psychologists and UVA graduate students
- Developed and implemented K-12 social skills training program

1990-1991 **Program Coordinator**, Charlottesville Public Schools, Charlottesville, VA

- Implemented service delivery protocol for students with SED
- Coordinated educational and psychological services for students with ED
- Responsible for budget, hiring, staff training, and program evaluation

1989-1990 **Psychologist for SED Program**, Charlottesville Public Schools, Charlottesville, VA

- Chief psychologist for school division's pilot program for emotionally disturbed
- Individual and group counseling, behavioral management, team leadership
- Teacher and parent training and consultation

1985-1989 **School Psychologist**, Charlottesville Public Schools, Charlottesville, VA

- Psychological services to middle and high school students
- Supervised clinical psychology graduate students
- Initiated development of school-based crisis intervention protocol and crisis teams

1984-1985 **Psychologist A**, University of Virginia Children's Medical Center, Department of Pediatric Psychology and Behavioral Medicine, Charlottesville, VA.

- Psychological services to clinical population of infants, children and adolescents
- Individual and family therapy
- Cognitive rehabilitation and neuropsychological screening
- Hospital Brain Injury team

1979-1984 **Master Demonstration Teacher**, Kluge Children's Rehabilitation Center, University of Virginia, Charlottesville, VA

- Educational and diagnostic services (hospitalized children and adolescents with traumatic brain injury, autism, attention deficit hyperactivity disorder, cerebral palsy, developmental delay, spinal cord injury, diabetes, chronic illnesses, and eating disorders)
- Coordinated school reentry

1978-1979 **Training Coordinator**, Mineral County Public Schools, Keyser, WV.

- Coordinator of federally-funded Outreach and Training grant
- Provided on-site training and technical assistance to preschool teachers over a 6-state region
- Organized state and local professional training conferences

1976-1978 **Director of Adult Handicapped Programs**, United Cerebral Palsy of PA, Harrisburg, PA

- On-site consultation and program planning services to 22 UCP affiliates
- State representative for disabled constituents
- Organized statewide training conferences for disabled adults

1974-1975 **Special Education Teacher**, Pike County Public Schools, Jasper, OH.

- Teacher, self-contained classroom for 18 mentally disabled middle school students
